

# Read stories to kids

- **Don't just read books – tell the stories.**
- Your voice must show emotion.
- Use voices. What would Little Red Riding Hood sound like?  
Grandma? The wolf?
- Interact with the story and the children.
- Make **eye contact** with the kids.

## Techniques:

- Stop. The kids say the next word.
- Ask questions about the pictures.  
What's this? What color is that? What's \_\_\_\_\_ in English?
- Make mistakes. Have the kids correct you.  
Oh, what a nice blue apple. No! It's red.
- Have the kids notice words, etc.  
Who can find the letter "F"? What is this word? Who can find "dog?"

Have fun.  
If you do, the kids will, too.
